Alexandria, VA 22313-1450

Sir:

REQUEST FOR RECONSIDERATION

Responsive to the Official Action dated September 29, 2006, Applicants respectfully request reconsideration.

The majority of the claims remain stand rejected for anticipation under 35 U.S.C. §102(e) based on commonly-assigned US Patent Application 2001/0026554 to Holler et al. This rejection is respectfully traversed.

To establish that a claim is anticipated, the Examiner must point out where each and every limitation in the claim is found in a single prior art reference. *Scripps Clinic & Research Found. v. Genentec, Inc.*, 927 F.2d 1565 (Fed. Cir. 1991). Every limitation contained in the claims must be present in the reference, and if even one limitation is missing from the reference,
